**SOFRONIE FOUNDATION****ANNUAL REPORT OF THE TRUSTEES (continued)****FOR THE YEAR ENDED 31 DECEMBER 2015****2. STRUCTURE, GOVERNANCE AND MANAGEMENT**

Sofronie Foundation is a company limited by guarantee governed by its Memorandum and Articles of Association dated 30 January 2007 and is registered as a charity with the Charity Commission.

The Trustees meet at least four times each year to discuss and develop the Foundation's goals and strategy and to review grant proposals and general grant requests.

The number of Trustees shall be a minimum of three at any one time and new Trustees shall be appointed by ordinary resolution by the existing Trustees. The maximum number of Trustees may be fixed but if not fixed, will be seven. The range of skills represented on the Trustee Board will be kept under review as the Foundation develops over time.

**Induction and Training**

As part of their training, Trustees were given an information pack which includes the Foundation's Memorandum and Articles of Association, Charity Commission guidance on Trustees' Responsibilities, past Trustee annual reports and relevant minutes of Trustee meetings. The Foundation will provide induction training for all new Trustees. All Trustees are reminded of their duties and obligations under the law in addition to their proper conduct. Induction training is frequently reviewed.

**Related parties**

None of the Trustees receive remuneration or other benefit from their work with the Foundation. Any transactions between the Foundation and the related parties must be approved by the Trustees.

Transactions with related parties are disclosed in Note 11 to the financial statements.

**Pay policy for senior staff**

The directors, who are the Foundation's Trustees, and the senior management team comprise the key management personnel of the charity in charge of directing and controlling, running and operating the Foundation on a day to day basis.

All directors give of their time freely and no director received remuneration in the year. Details of directors' expenses and related party transactions are disclosed in note 11 to the accounts. The pay of the senior staff reflects the level of responsibilities and skills set required. The pay is reviewed annually.

**Trustees' Responsibilities Statement**

The Trustees (who are also directors of Sofronie Foundation for the purposes of company law) are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Trustees are required to:

**SOFRONIE FOUNDATION****ANNUAL REPORT OF THE TRUSTEES (continued)****FOR THE YEAR ENDED 31 DECEMBER 2015****2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)****Trustees' Responsibilities Statement (continued)**

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP FRS 102;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**Internal Controls**

The Trustees have overall responsibility for ensuring that the charity has appropriate systems of internal controls. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements follow best practice. They are also responsible for the Foundation safeguarding its assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

**Risk Management**

A risk assessment has been undertaken which comprises:

- an annual review of the risks the charity may face;
- the establishment of systems and procedures to mitigate those risks; and
- the implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

**SOFRONIE FOUNDATION****ANNUAL REPORT OF THE TRUSTEES (continued)****FOR THE YEAR ENDED 31 DECEMBER 2015****2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)****Risk Management (continued)**

This work has identified that financial sustainability is the major financial risk for the Foundation. A key element in the management of financial risk is a regular review of available liquid funds to settle debts as they fall due and active management of trade debtors and creditors balances to ensure sufficient working capital by the Foundation.

**STRATEGIC REPORT****3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing Sofronie Foundation's aims and objectives and in planning future activities and providing help in the form of gifts or grants or any combination of these.

The Objects of the Foundation are to further such charitable purposes and to benefit such charitable institutions as the Trustees think fit. However, its main interest is to improve social mobility by tackling those young people disadvantaged by lack of opportunity. These programmes may include support for academic, vocational or non-formal interventions as well as others that offer preparation for education, training, skills development and/or work. The Trustees reserve the right to support special projects that may assist young people by other routes and these are determined by the measure of social impact.

Sofronie Foundation funds programmes that improve social mobility by enhancing opportunities that improve educational attainment or specific skills to secure future employment.

In Summary, the Foundation focuses on children and young people;

- who are struggling in school
- who are experiencing severe disadvantage
- who lack opportunity to improve their educational attainment
- who have difficult and challenging family lives

The Trustees have a number of powers which are detailed in the Memorandum of Association and which may be exercised in promoting the objects.

The Trustees must use the income and may use the capital of the Foundation in promoting the objectives.

**Grant Making Policies**

The Trustees approve grants to registered charitable organisations. Grants are for a variety of costs, depending on requirements. These include specific projects but also core operating costs. The length of grant can be for one or more years. The Foundation will consider further funding after reviewing the progress report and evaluation.

The Trustees pay due care and attention to ensure that the work considered for funding delivers public benefit as per the Charity Commission's guidance.

**REPORT OF THE INDEPENDENT AUDITOR**  
**TO THE TRUSTEES OF**  
**THE SOFRONIE FOUNDATION**

We have audited the financial statements of Sofronie Foundation (the “charitable company”) for the year ended 31 December 2015 which comprise the Statement of Financial Activities (including the Income and Expenditure account), the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 ‘The Financial Reporting Standard applicable in the UK and Republic of Ireland’.

This report is made solely to the charitable company’s members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company’s members those matters we are required to state to them in an auditor’s report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company’s members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of Trustees and auditor**

As explained more fully in the Trustees’ Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report of the Trustees and the Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company’s affairs as at 31 December 2015, of the incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**REPORT OF THE INDEPENDENT AUDITOR  
TO THE TRUSTEES OF  
THE SOFRONIE FOUNDATION (continued)**

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**SOFRONIE FOUNDATION****NOTES TO THE ACCOUNTS****FOR THE YEAR ENDED 31 DECEMBER 2015****1. ACCOUNTING POLICIES (continued)****Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

The provision for multi-year grants are recognised at their present value where settlement is due over more than one year from the date of the award. The discount rate used is 3% and is regarded by the Trustees as providing a reasonable estimate of reflecting the time value of money to the Foundation.

**Employee benefits**

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

**Going concern**

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The forecast income and reserves are sufficient to cover all of the budgeted expenditure to be able to continue as a going concern.

**Judgements and key sources of estimation uncertainty**

In preparing the financial statements, the Trustees have considered how best to apply the Foundation's accounting policies and make estimates in the preparation of the financial statements, where relevant. The Trustees have not made any significant estimations in these financial statements.
